The Premises:

Very nice hotel near Euston station . Room was a bit small but very modern and very clean. Bathroom was more like a wet room if it flooded you could play water polo in there. Great shower . Nice towels and Linzi provided deodorants , shower gel, toothpaste etc .

The area is safe , well served by public transport and very lively . Parking round the area could be a problem .

The Lady:

Linzi matches all her photographs and is just a striking if not better when you see her . Lovely body with curves in the right places and a wonderful smile and those beautiful green eyes (very sexy) She looks a lot younger than her 41 years

A great communicatorso booking an appointment with her was really easy and straight forward. She does not mess about like so many do and replies to emails in very quick time.

When you arrive she is genuinely pleased to see you and you get a very friendly welcome She has a great sense of humour and is really fun to be with so no awkward silences or shufflings .

The Story:

A really great experience ...she really is one naughty lady and very enthusiastic. No lack of action ..it was like non stop play for 90 mins without getting injured or getting your shins kicked.

Linzi dressed as requested with stockings , black bra and panties . We started with a hug and a cuddle and then I got carried away for about 10 mins before I had to leg it into the shower to cool off .

Carried on where we left off ..she has very smooth skin and a beautiful bottom which I could not keep my hands off. We tried most things and positions with me acting like some adolescent sugar starved kid in a sweet shop.

Finished off having fantastic sex in the cowgirl position which is highly recommended.

Will I see her again ...don't be silly of course I will
