### The Premises:

Very nice flat on porchester Square. Room was in basement of building and very basic but functional. Shower facilities en suite.

### The Lady:

Holy smokes!!! Maggie is a stunner... Bulgarian babe that is every bit as hot as her pics suggest. Website pics are stylised but they do her justice...

### The Story:

I'm not the most experienced punter and in retrospect wasted too much time discussing life and all sorts of niceties before we got going and in the end had to extend to 90 mins to ensure full value. That however was all on me since I started blabbering (was pretty nervous going in) and actually really enjoyed chatting to her for a good 35 mins. It made the whole thing less nerve racking for me and felt like proper GFE.

Once the action started, there was no more chat... Maggie is a vixen and I loved nothing more than alternating with me on top with DFK while in missionary, then her on top cowgirl riding away. She had some proper stamina and after round 1 she was immediately pressing for round 2. My tank was almost empty so round 2 was entirely her on top for 20 mins, shifting through the gears until i reached the finish line.

After an epic riding her legs were jelly after (legs were shaking trying to stand up!), and I was spent - both of us ended up laying on bed for 5 mins afterwards just trying to get heartrates down and catch breath again.

The whole session was intense and I left thoroughly satisfied and truly in awe of the experience.

I can highly recommend this Bulgarian babe - full DFK (which is huge turn-on for me), and hotness all over. Fully justifies the rate IMHO.
