petite, black hair, green eyes and stunning IMO, unshaven but trimmed pussy and small boobs, perfect (think I'm in love! lol)

The Story:

very friendly, beautiful smile, brief massage then turned over and onto OWO, played with her pussy at this point then asked for 69, sweet!, then on with the condom and into mish, sh lifted her legs right up over my shoulders at this point and i couldn't resist licking her feet (never done that before but felt right and she said later she considered it a bonus, finished off by hand as i got a droop on(possibly the heat that day, its affected me like that before) talked for a bit and then i had to remind her i hadn't paid as yet, we had a laugh about that, will definitely return. already checked when she's on again and when my visit to the area coincides with that, had a huge smile on my face for hours afterwards
