### The Premises:

As previously described.

### The Lady:

Attractive Brit, brunette, medium curvy physique, average height, large bust, some body art, fully shaved, slightly blurred photos on HoD's website provide a good impression of what to expect.

### The Story:

It was the cougar analogy on Anna's profile which prompted my booking. And in many respects - for example in appearance and her sassy personality - she could certainly pass for one. I speak from experience as someone who had met and had my heart broken by a few when much younger and much more innocent which made me easy prey for predatory ladies. It took me many years to learn that punting is a far easier proposition.

As always, I was after a GFE. Anna was convivial company and with her I enjoyed lots of DFK, owo, 69, sex in missionary (so I could continue with dfk) and finishing via combination of hand and mouth. And what a climax it was, long lasting and powerful in its magnitude.

I departed feeling great which is always indicative of a very good punt.
