The Story:

I couldn't quite make it for 1530 so knowing I'd be late I opted for a walk in. I had phoned and was told Foxy, Courtney and Morgan were all available. I knew that I couldn't go wrong really. I've seen Morgan a couple of times and she is a really great girl that delivers a top notch service. I hadn't seen foxy or Courtney and I was feeling adventurous. Foxy looked stunning and having read her reports I almost succumbed, but I do like a lady with curves especially when the boobs are full and real. I met the ladies chose Courtney and she smiled as she entered the room. We quickly dispensed with our clothing and Courtney soon knelt down and took me in her mouth, lovely. Enjoyed that for a while then asked for 69. No problem, on to the bed and received some wonderful oral whilst enjoying giving Courtneys sweet pussy a good licking. We then moved on to shagging. Courtney on top first, facing me so that I could really appreciate those wonderful melons. Lovely and soft and still pointing in the right direction, one nipple pierced. Sucked and juggled for a while whilst Courtney bounced up and down, oh heaven. We then changed to doggy. The bed was quite low so I had one foot on the ground the other on the bed and I proceeded to make further progress with Courtney. I asked if a little light spanking was ok? and she replied yes. We then went back to Oral on me but this time we moved over to the mirror. I placed a cushion on the floor for Courtney to kneel on and then bless her she bobbed her head delightfully. A word of warning, Courtney has hair extensions so don't mess with her hair! It's hard not to. Courtney used her hand and mouth to good effect and finally I felt I was close. She took it and swallowed almost before I was finished. Time was up so then I was really just taking the opportunity to gaze at her boobs as I dressed. Lovely girl, good conversation and great service. What are you waiting for?
