The Premises:

A minute from the tube, nice clean place. Waiting in the big room with three girls in their underwear got me in the mood!

The Lady:

The photos are realistic, she has a fantastic body and natural boobs. Good English.

The Story:

I explained what I particularly liked and she followed it to the letter. Owo was great, especially with her bare bottom stuck up in the air. I returned the compliment before we fucked. My goodness she is a great fuck. Due to my age and regular masterbatory habits I did not come inside her. She finished me off with a hand job exactly as requested.

Nicola is a lovely girl and unusually for me I will see her again. She tells me that she does role play, though this is not posted, so I have something in mind for my next visit.
