The Story:

Was staying in West London for a few days so decided to have some company at my hotel for an hour. Called the agency and after a short chat booked Kelly to come round at 10:pm, which she did right on time. Upon opening the door she was just as pretty as her pictures on the website and very friendly and greeted me with a smile which is always a good sign.

Handed over the cash and for the next half hour we kissed, cuddled, performed OWO & FS. After round one she suggested a massage which was well performed and ended in hand relief which is all I could manage at the time (not her fault).

All in all she was there about 1 hour 15 minutes so not a clock watcher.

This is the 2nd time I have used this agency and the service from the ladies is always exceptional, you can get ladies cheaper for the hour but if you are paying less than £100 expect them not to perform as well or ask for more money for certain things.

I'm back in West London in a few weeks time so will definitely use them again and maybe try Crystal next time as the agency says she has oral skills "that will blow you away"
