Daniella is with her curvy size 10 figure and stunning looks is a gorgeous bi-sexual Brazilian. She is Petite and matches her photos very well

The Story:

Daniella gave me the full experience. There is something deeply sexual about a latino woman and she didn't disappoint by giving me one of the best sex ive had in a while. She was able to accommodate my every fantasy like tying her up and also fucking her in the shower. With her petite frame she was easy to throw around so it made for a wonderful experience of interchanging from various positions.
