The Lady:

Ivy is a very busty blonde lady and super sexy for a 21 year old. She is quite petite and Eastern European but her boob size is great at 34D. She matched her photos very closely

The Story:

Prior to her arrival she asked me to pick out something for her to wear. This got me excited already and i didn't hesitate to use that excitement when she arrived. I threw her straight on the bed and gave her a good pounding, she was definitely worth the money and its an experience i wont forget anytime soon. Her keen nature just made me even more horny and i couldn't help but lick her out.
