The Premises:

A very good parlour in Fenton, Fingertips has had some changes in management, but nevertheless it retains a pleasant atmosphere with nice rooms and furnishings. (It is also better value than Longton 's Abigails which is shabby and badly equipped). Until recently Fingertips had rather a glut of inexperienced youngsters, but the parlour is starting to recruit some classier ladies.. Today one was spoiled for choice: on offer were Scarlet (a lovely Welsh girl), Natasha, and (joy of joys!) Lucy.

The Lady:

I last saw Lucy eleven years ago in Divas. A Manchester lass, she is a lovely blonde absolutely in her prime. Aged about 40 (albeit described on the phone as age 29) Lucy still looks fabulous with her voluptuous tanned figure a and gleaming smile.

The Story:

Lucy recognised me from before, and I remembered being devastated when she left Divas a decade ago. Lucy is intelligent and chatty, and she is very sexy and versatile in the room. She kisses nicely and asks just an extra tenner for O-without. I'm delighted she's back and I can't wait to see her again!
