The Story:

Not posted on here before but felt the need to after meeting Claire for the first time last Friday and twice since!

Having just got back from holiday I needed a meet and doing a local search on AW I came across Claire. Luckily for me she had just started working independent around here and not being really into the busy parlour scene I have not come across Claire before but good things come to those who wait!

Easy to arrange via couple of emails and texts for that evening, Went home after a work for a shave and shower and freshen up, always like to arrive fresh and feel a bit cheeky asking for a shower before a meet and taking up a girls time. Round to Claire's flat in a really quiet part of Hyde and only 5 mins from me, nice private flat, very discrete and clean. Claire Met me fresh out of the shower wearing hold ups and a dressing gown and my jaw nearly hit the floor! Perfect petite figure, great tits but being an arse man it was that which got my attention! She ticks every box for me. Claire has a really warm friendly bubbly and slightly crazy personality which I love and feels like you have known her for years, she was very jealous of my tan having been in Greece for a week and we chatted like old friends. I'm not a hardened punter so can be a bit shy on first meet which is why I only ever do half hours but non of that with Claire. Straight to the bed, lots of passionate deep French kissing with lots of tounge which I love before moved onto OWO and then 69 so that I could admire that amazing arse and pussy. Sex in multiple positions, Claire loves reverse cowgirl and who am I to complain when I can admire that sight. Onto deep missionary and more French kissing, very passionate and natural feeling, finished in doggy admiring the view again!

I don't see lots of different girls, preferring to stick with one and build a connection as this feels a lot better for me. The whole meet flew by and felt so natural, not sure about girlfriend experience as I've never had a girlfriend who gave an experience like that! Safe to say I've seen Claire twice

more This week since first meet and I have NEVER met 3 times in a week but to be honest she gets better the better I know her so god knows what future meets have in store! I'm sure she will be a familiar face to some of you guys on here and hopefully she will stick around on the independent scene round here so I can see her even more, already wondering if she's free tomorrow and only saw her yesterday. £80 for half hour £140 for an hour but all included apart from anal (definitely on the agenda) rimming and facials I believe, so while there may be cheaper out there, in my opinion non better and worth every penny! You get what you pay for and with Claire you get the lot...she puts everything into a meet and seems to genuinely love what she does.
