### The Premises:

### The Lady:

Caroline is a stunning 20 year old, Eastern European girl with amazing curves and a great ass she closely matched her photos and is 5ft6in.

### The Story:

Caroline was a delight from start to finish. As soon as she arrived she greeted me with a hug and a BFK. After a brief conversation she started to strip while teasing my dick from beneath my jeans. The sex was also incredible. We started in missionary then doggy style while I played with her big juicy boobs. She then rode me so good before finally I exploded on her boobs but she did ask me where I wanted to finish so I'm pretty sure she would be down for anything. Caroline was a amazing, a great fuck and an all in all great person inside and out.
