The Premises:

A maisonette in a residential road off Croydon High Street. Parking was difficult. The entrance to the property opens on to the street so coming and going is not discrete. Once inside, the property is clean and comfortable and has a good shower.

The Lady:

Inez is a Hungarian girl in her early 20s. The photos on her AW profile are broadly accurate although she has put on a little bit more weight since they were taken. She has quite a few colourful tattoos, is a smoker and doesn't speak much English. I found her attractive in a girl-next-door kind of way although unfortunately she wasn't particularly outgoing during our encounter and I did find myself wondering whether she is in the right job.

The Story:

I called up for a short-notice appointment and was given the address. On arrival, Inez let me in and escorted me straight to the bedroom. I passed another girl who was also working at this premises.

After completing the paperwork for a 30 minute visit, we both undressed and showered together on what was a very warm day. Then it was back to the bedroom where I gave her nicely formed and natural C-cup breasts a good massage before exploring her body and going down on her tasty pussy. Inez then gave me a very good covered blow job followed by sex in the missionary position. I came a few minutes later.

Unfortunately Inez was not particularly responsive during my 30 minute visit despite claiming on AW to offer GFE and she kept her legs fairly tightly together at all times. Light kissing on the lips was on offer but not DFK and OWO despite her AW profile saying that these are included in visits of 30 minutes or longer.

I was in two minds on this punt whether to give a neutral recommendation or a negative recommendation but have decided to go with the former given the decent premises, the low price paid and the enjoyable covered BJ. Inez also told me that she is going back to Hungary in a couple of weeks time so, either way, I won't be seeing her again.
