The Lady:

Ally is quite a bit different from the norm for these places. How is she different? No tattoos, no strange piercings, minimal makeup, and no implants. (She doesn't need them anyway; her boobies are lovely, nicely shaped and perky). She is in her early 30s and a deliciously curvy size 12.

If you encountered her in the supermarket you would never guess that she does this job.

If your fantasies include your cute next door neighbor or that sexy housewife from over the road then you will love Ally.

The Story:

This was only Ally's second day working. Her profile page sparked my interest so I decided to visit her. I am glad I did! As soon as she entered the room we started kissing and soon the clothes were all on the floor. Ally has soft skin and firm, shapely thighs and bum - very strokable/squeezable/spankable :-)

On to the bed for some lovely oral, and then 69 which was very pleasant. Ally was doing so well with oral and hand stimulation that I just went with the flow and let the explosion happen.

Ally cleaned me up, and then lay back down next to me for a cuddle and a chat until the maid's knock on the door signaled time was up.

This was a great GFE, sensual and un-rushed throughout.

Ally told me that she is genuinely bi, so she would be up for a fully interactive duo. I got a little weak in the knees when I heard that. I think that will be on my to-do list very soon!
