### The Premises:

One2one have given their website an upgrade & after getting to grips with the new format I noticed that Madison was on the schedule for their Hatfield flat (they have 5 locations, apart from Hatfield, Aylesbury, High Wycombe, Kings Langley & St Albans. Since she came on the site I'd always fancied a visit to Madison but as she only works one day a week & prior to today only in Aylesbury, our paths had not crossed. A quick call to Moneypenny in control & this secret agent's mission was set. The flat in Hatfield town centre is clean, well furnished & easy to find. Free parking within yards is a real bonus & for train travellers it's within 15 minutes walk of the mainline station & easy access to Kings Cross.

### The Lady:

My preference is for petite blondes & Madison is the perfect package. Her profile & pictures on the website are spot on.

### The Story:

My booking was for 17.30. I arrived 17.15, touched base with Moneypenny & she confirmed Madison was ready for Mission to commence. As this was a first liaison when Madison opened the door (no maids at One2One locations, just the lady booked present) I was pleased to find that visually she was all I could have wished for, simply lovely (to coin a popular phrase!). Personality bubbly & very friendly, I immediately felt at ease with this little beauty. Showered, finances sorted, ready for action. She asked what my preferences were to be. I explained I like to engage in giving tantric massages using my 007 formulated coconut oil. She readily agreed & got naked with a cheeky little striptease which certainly raised my old chap to action stations. What followed was a wonderful 45 minutes of unhurried bliss. She was seemingly very much aroused by my tantric technique & which was heightened to the obvious when I introduced my tongue into her extremely wet & oh so fragrant shaved pussy. The mack went on & we indulged in vigorous sex in cowgirl, doggie & missionary. This is one sexy lady and, just as importantly, she is an excellent communicator. She gets the 007 5\* seal of approval, the perfect mission completed.
