Lovely apartment in Paddington, nice and easy to find and close to the tube station. Shower facilities were good, very comfortable bedroom

The Lady:

Anays is a real Latin babe, although she doesn't look exactly like her pictures. I think they must be a little old, and her hair was up when I visited, so that could have something to do with it. In the flesh she's more curvy and more real woman like, just how I like Latin escorts actually. Nice round ass and big boobs! I'd her age is about right, she's at least in her mid twenties. She speaks very very good English too, and has a good sense of humour, easy to talk to.

The Story:

Anays wasn't the best escort I've seen from Babylon Girls, but she's definitely worth the money when you compare her to some others. She was dressed in black lingerie showing off her lovely body. She's confident with her body too and it really shows. She showed me through to her room and offered me a shower. When I returned she was naked on the bed choosing some music. She was very receptive to my touches and after some kissing, she went down on me with some nice OWO (again, not the best, but very nice). This didn't last that long before she went into reverse cowgirl for a while, switched it up a bit and had her facing me (great boobss!) and finished off in missionary.

Didn't really have the energy for a second round this time sadly, but it didn't seem natural anyway. The conversation and company however, did feel very natural and she's the type of girl I'd actually like to date if I was so lucky (I doubt that of course!) A lovely girl with a lot to offer.
