She tours around england and wales
The bulding was a bit of a dump

Ok shower facilities

The Lady:

Sexy Brazilian girl
She has nice tan
Looks like a model
I think she is in her early 20s
She cant speak a word of english had to use google translate

The Story:

I got to her flat gave her £200 she informed me she charged for extra's £50 for A-level,£20 for OWO,£20 for R.O and £10 for kissing i thought what the hell she looks like a top model and i was rock hard at the sight of her in sexy lingerie i just wanted to fuck her brains out got the cash out the way.

On the bed i wanted PSE with sexy Luana i licked her pussy out she was soaking wet and she came in my mouth i then got her on her knees told her to put her hands behind her back i fucked her mouth for about 15minutes i really enjoyed the look on her face whilst i deep throated her.I instructed her to go on the bed on with the mac i fucked the living daylights out of her for what seemed an eternity mish,spooned her,doggy etc i exploded a huge amount of cum in her pussy i was pouring out of sweat.

She cant speak a word of english so we googled translated whilst i was recovering from fucking her for so long.

Then back to eating her pussy out and fucking her i loved fucking her ass and spanking it really hard she loved it sexy Luana has a great ass after pounding the shit out of her i exploded a huge deposit of cum this time in her sexy ass.

I took a shower and went back home a very happy man
