The Premises:

A very nice ground floor apartment in Prestwich. Nice quiet neighbourhood with some street parking. There's also an M&S carpark about 500 yards away. The apartment is very smart, clean and has full shower facilities.

The Lady:

A very attractive, classy lady. Very good looking, a superb body with perfectly formed bust. Lovely long slender legs. Photos are very accurate. Sarah is white Caucasian with long brown hair and brown eyes. She's about 5 foot 6 inches tall, mid / late thirties and completely shaven.

The Story:

Sarah is very good looking with a very nice personality. Don't be fooled by her calm demeanour and looks as though butter wouldn't melt in her mouth, she can be naughty, very naughty! If you don't rein her in you could find yourself in the middle of some Sex Olympics of a very raunchy nature. She's very receptive to reverse oral and you know when you've hit the right spots. Her oral without is excellent with several variations. Her fingers have a very sensuous touch which can keep you on edge for quite a long while. Her Cowboy is something to behold with superb movement and gyration and not to mention her 69, Phew!! The one drawback is when you're having so much fun time goes by far too fast!

Will I see her again? Stupid question, try and keep me away.

Recommend Sarah? Of course, well worth the time and money! Wonderful!
