The Lady:

Letta is a gorgeous 25 year old Russian beauty with 34D tits and a nice slim frame being 5ft 6.

The Story:

White Russians are my favourite drink and my favourite ladies. Letta was average at best however. Her blowjob and all around attitude was okay nothing out of this world but nothing disastrous. We started off by kissing and she was a little frigid and reserved but let me touch her pussy nevertheless. The sex was okay would of been better if we were able to explore different positions other than missionary. Despite that Letta is a stunning girl so the experience was okay overall.
