The Premises:

A grotty terraced house off of Plumstead High Street. The bed was basically a divan and mattress without castors.

The Lady:

As pictured. She has lovely firm and natural C/D cup breasts. She is very bubbly, but her English is very basic.

The Story:

This was my second visit to see Roxanna. I was very tired the first time. I was in the area and thought I'd see her again. The service started with her gently stroking me to a full erection while I enjoyed playing with her breasts. On went the condom and we had sex in doggy position. I was more in control this time and didn't hurry. I opted to have a slow hand finish and withdrew and removed the condom. It was quite amusing because Roxanna couldn't bear the sight of cum so she turned her head when I spurted over my stomach.
