The Lady:

Krystal is even better in the flesh than she is in her profile pictures - and let's face it, she looks amazing in her photos. She is the complete package; matching her profile in every way, and truly being a stunning and gorgeous Eastern European girl with a fantastic body, captivating eyes and amazing hair, which when let down is just so passionately wild and flowing, that it just increases her overall sex appeal to the tip of the scale. She has a very warm and engaging personality, together with a rather naughty streak and a real wicked sense of humour. In addition to having the most wonderful figure and a very impressive set of enhanced boobs, she has the most engaging and welcoming smile you could wish for. In a nutshell; WOW!

The Story:

If you're looking for a cold/mechanical experience, starting with the usual awkward paperwork, intermittent and subtle time wasting, that concludes in a rushed 'get you out the door quick' finale, then I strongly advise that you DO NOT book Krystal. As Krystal is basically one hot babe, who it would seem, is utterly determined to give you the ultimate GFE escort experience, where she remains on fire from the moment she enters the room until the time she passionately hugs and kisses you goodbye, as you leave in somewhat of an ecstatic daze with a rather large smile on your face.

The hour started off with some genuine tender kissing and caresses, as each enthusiastically and passionately discovered each other's bodies, whilst at the same time discarding any remaining items of clothing. Then proceeded to Krystal going down and giving me the most amazing head which she performed in such an incredibly sexy way, that like her overall performance, very much came across as if she was really loving what she was doing.

Following this, it was my opportunity to progress to reverse oral, a particular favourite of mine, which once I had made my way around down below, the reaction from Krystal was one of great

pleasure and real passionate moaning, that unless she is one brilliant actress, indicated she was certainly going for it, especially around the climax, and boy did she taste good.

We seemed to alternate between OWO, reversal oral and 69 a few times, together with Krystal encouraging me to play with those wonderfully enhanced boobs and caress her body from head to toe.

With the passion fire now at a very high temperature, it was now time for Krystal to do her party piece, and place the condom on with her sexy lips, how does she do that? When asked what position, I of course gave my usual indecisive response, which of course was not a problem for Krystal, as we proceeded to work through a variety of different and exciting positions, finally concluding in the missionary position, that through a combination of a deep penetration and her amazing tight pussy, resulted in the most incredible climax.

Krystal is totally genuine, great fun to be with, and incredibly sexy, and boy does she love what she does.

In case it wasn't clear from above, I cannot recommend Krystal highly enough. She is just fantastic.

Oh yes; a real gem (so don't miss out).
