The Story:

I was in birmingham for the day and i thought i would'nt mind fucking a sexy oriental girl i looked at vivastreet on my phone i saw profile i remembered from february that i visited this flat.I phoned the number told her i went to the flat three times and fucked three different girls three times on my three visits there for £220 for 2hrs in february i want the same today and no massage she said thats fine and she text me the address.

When i got there i knew the routine press the buzzer by the gate she says wait i will be down in 5 mins i had a quick smoke while i waited for her.She came down to the gate sexy has hell dressed in school uniform she took hold of my arm and went up to the flat has thou we where a couple.

In the bedroom i reminded her i want to fuck her three times and no massage she laughed and said it not fuck its make love i laughed and told her when i have finished with her she will know she has been well and truly fucked i handed her the £220.

I just love oriental girls i have fucked between 500 to 1000 of them over the last 30 years.

I did not lick her pussy out oriental girls never shave downstairs.She put the jonny on my cock and i

fucked her mouth i told her she turned me on wearing a school uniform then i opened her legs and stuck my dick between her legs and fucked her really hard and put her legs in the air she loved it and got right into it a real PSE i slammed her pussy for all i was worth asked her to call me bad boy she screamed it i was really surprised she loved being treated like a female pornstar i got her in doggy and drilled her really hard she was still shouting fuck me bad boy. I kept telling her she was fucking sexy im enjoying fucking the shit of her pussy, and other filthy talking stuff and i exploded a huge deposit of cum in her pussy end of round one i removed her school uniform.

There is a very big window in the bedroom i opened the blinds and got her to stand back against it i lifted her legs round my waist she put her arms around my neck and i fucked her against the window after about 10mins i asked her to turn round and i fucked her from behind she leaned forward put her hands on the window and i pounded her really fucking hard till i cum in her pussy i did not care if anybody in the building opposite or the street saw me fucking her.

She told me i had worn her out i said one last fuck before i go i instructed her to go in doggy position and i slammed her pussy for all i was worth and i shot the last drops of cum in her pussy she looked totally fucked up by the time i had finished with her. I told her i enjoyed using and abusing her she laughed. I had a shower got dressed we kissed at the door and she begged me to see her next week i said ok i will come next week for £300 for 3hrs she said yes please come back and see me.

I look forward to fucking the shit out of her again next week

Sometimes the profile is not always on vivastreet but the phone number is always active a brilliant place to fuck Korean girls. I highly recommend it.
