Very tidy flat in good location. Tiny room but bed good enough

### The Lady:

Physical description matches her profile.

### The Story:

Unfortunately, one of those experiences which was rather detached. Able to suck her tits but only for a few minutes, then pushed away. Same with her Clint. Perhaps she was sore from a few too many punters? Tried a massage but was far away from sensual - think massaging bread dough. Overall, a disappointing experience and left early. Shame - profile promised much more.
