The Premises:

Very Convenient next to M6 J 10, unfortunately it took me about 15 mins to get the few hundred yards due to traffic. Flat complex on the site of the old football ground, respectable area with ample parking. Interestingly the same location as my first ever punt.

Nice, well kept ground floor flat with good shower facilities

The Lady:

Donna is a very attractive mature lady, I would guess early 50s and is well represented by her AW pictures (both looks and activities!) She is very well upholstered but not fat, with big natural boobs

The Story:

Donna has been at this game a long time (I visited her about 8 years ago, and she was very experienced then), and seems as enthusiastic today as she has always been. She just seems to love her work. I wouldn't call in a GFE, just damn good sex! The time with Donna went really quick and we engaged in anything I wanted. I think she does anal but I didn't really have time to venture that far and was enjoying everything else so much anyway. She gives good deep BJ's, tit fucks and enjoys any position and has lovely suckable boobs and a lovely juicy cunt for licking. I asked her if she likes girls as well, and she said "sometimes but I like cock too much", which was evident.

One reason I went to Donna was I love CIM with sloppy dribbles, and she does just that, sucking my cock until I could take no more. Amazing!

All in all a great sexy experience from a very keen and accomplished lady who really knows how to please a man.
