### The Premises:

Very tidy place close to the tube has all the basic necessities clean towels, bathroom with enough space and also a room with a nice and comfortable bed.

### The Lady:

Mona is incredibly beautiful she is on her 20's, is from Russian has beautiful green eyes and a model like a body with the right amount of curves not in excess and not less then it should be, I would say its almost perfect, she is also very kind talkative and spontaneous a bit shy but as soon as you get to know her a little she loosens up.

### The Story:

In my point of view the time I've spent with Mona was outstanding she was great from the very moment I met her until the time we parted ways, she came to my place and I had booked for a 2 hours in order to have a good time with her and also get to know a little bit more about that gorgeous girl, she was a bit shy at first but as soon as we started to talk and bond with each other she literally opened up like a flower, we laughed together and had a really good talk, she was kind spontaneous funny and really easy to get along with, and a despite that her looks were incredible I mean I just couldnt take my eyes off her while we talked she had a beautiful dress, not a lot of makeup on and I was surprised how beautiful she was even natural, well when things got heated up and we went to the bedroom I was amazed she really knows how to be naughty and please, its almost like she already knows what you want and she really gives it all to see you pleased, I was very satisfied with what I got from her and honestly for a top class escort like her I think what I paid was very fair, very high level of skills and great personality and looks too, without a doubt that is one kind of girl that you can take out to dinner and it will be a great time.
