The Lady:

Just like her place, clean, Tidy, well presented and welcoming, warmed to her immediately, Emma made me feel like we were old friends, I'm pretty shy which i told her on the phone and she was perfect at making me feel welcome, appreciated and at home. (I know i keep saying that but it's true)

Emma appears to be in her very early thirties, clearly goes to the gym and keeps herself fit and trim (her posterior is fantastic and firm) approx 5'3"-5'5" lovely figure, slim with very pert, augmented breasts a few tasteful tattoos, very neat topiary. Flat was perfect temperature and so was she! Her pictures on the site are great but she is lovelier in real life.

The Story:

30 minutes flew by in what felt like seconds, should have booked longer but have tried a few different places and didn't want to be disappointed, I wasn't. Far from it. From the moment Emma opened the door in some lovely underwear, took my hand and padded barefoot to the bedroom, offered me something to drink and whilst i was stood there like an idiot, noticing my nervousness, went up on tip toes and gave me a lovely ice breaking kiss (i'm 6'4" hence the tip toes), put me at ease right away, friendly chit chat and banter followed with us both ending up on the bed naked, Emma confessed to being a toy addict and the show began. I know i'm meant to give all the juicy details but this is my first review and I am finding my feet. I have visited many others in around the area, down as far as Darlington and up as far as South Shields and Emma is my new Favourite, am planning to visit her again soon so will perhaps add to or review again once my second visit has happened.
