The Story:

I made the appointment with Jennifer having read so many glowing reviews although I didn't allow my expectations to be raised as I've been disappointed with other well reviewed ladies before. In the event, it was one of the most memorable hours of my life. She was attentive, caring, oh so very sexy and worked her magic on me for the entire hour. In fact my experience with her was so intense it was almost out of body and certainly mind blowing. I will return.
