### The Premises:

Entrance on the main high street then up the stairs to find a number of room available. Decor in rooms is very nice and welcoming.

### The Lady:

Karolina is even better than her photos would suggest, she has that 'something' that just oozes sex appeal.

### The Story:

I've been meaning to book an appointment with Karolina for a few years as she is on my bucket list of escorts, but due to her limited availability and my living a couple of hours away from Northampton it just never happened....until today.

Karolina is gorgeous and very very sexy but what I wasn't expecting was just how smiley and bubbly she was which was a pleasant surprise.

In fact she was so lovely that it was all over too quickly as I just couldn't contain myself! However, what did happen between us was fan-bloody-tastic. I won't go into details but it was certainly the PSE I was looking for.

Hope to meet with Karolina again and would highly recommend to anyone looking for a guaranteed good experience.

Appointment ended up with a sensual massage that had the hairs on the back of my neck standing up.
