The Story:

Well as soon as i arrived she open the door and she looked so different then her photos on her profile, First i was thinking to go, but i travel for 45 min to get to her and being honest i was little horny as well, so i decided to stay and give a try anyway. She was more interested on taking the money then saying hello and giving me a kiss in the cheeks or whatever, She didn't say a work, Took my close of started to give me a head, then she told me to hurry up as she has another apportionment later, she was so rude and didn't have any manner even tho i had pay her in the start, I told her to be more gentle, and her reply was if you don't like it you can go, she did really upset me so i asked for my money back because i was so unhappy and she told me as it pass 30 min witch was not true it was only just 25 min. Anyway i didn't want to have an argument with her, so i just left and didn't say anything, just told her thank you for your time, Will never book again from them, this was the worse experience , I just wanted to have a relaxing time, Thats all
