### The Premises:

Really good well established parlour. Very close to the train station. Lots of parking on side roads. There are 3 rooms. 2 upstairs, which are fine. 1 downstairs that is only used if the other 2 are in use. Best of all, no door fee.

### The Lady:

Bubbly personality. Would hate to have to guess her age in case I insult her. Not old by any stretch of the imagination, but shall we just say, its unlikely that she would be asked for ID when buying a drink. Great body and superb tits. Highly recommended.

### The Story:

Had a really enjoyable time with Lola. She enjoys her job, and is very good at it. Her only aim is to make sure her client has a good time, and I certainly did with her. Not sure that she does anything other than the basic service, but you could always ask.

There was lots of kissing, closed lips, but very kissable lips. Oral, covered but then you cant have everything. She then climbed on top and rode me expertly before finishing me off by hand.

All in all, a very enjoyable session with Lola. I will definitely be seeing her again.
