The Premises:

I met Victoria at her home, which was very clean, and tidy.

I had absolutely no problems in finding Victoria's home with the help of my sat nav.

I easily found a free parking space outside of Victoria's home. It's free in the evenings after 6pm, and weekends, but a visitors permit is needed during the day, but there is a driveway at the front of Victoria's home that I imagine could be used when available?

I felt completely safe.

I was a little early, so I sent her a text message, and told her that I would wait outside in my car until Victoria was ready to see me. She came to her front door to let me in soon after.

The Lady:

Victoria is a Very pretty, petite 19 year old Romanian girl. Brunette/dark hair, with a "Gorgeous little body, dress size 8. She says that her boobs are 34C, which I'm no expert at judging, but they are a lovely size that suited that her body size.

Everything on her Adultwork profile is accurate, and I wouldn't disagree with anything on it, apart from her profile pics, that in no way do her any justice.

The Story:

I arrived at Victoria's's place dead on time. I had no problems at all finding her place with the aid of my sat nav.

I called Victoria from my car, which was parked close by Victoria's place.

She came straight to her door to let me in when she was ready, which wasn't very long after I had messaged her. I followed her up the stairs, and she led me straight to her bedroom.

I asked to use the loo to have a pee, and wash my hands. I had showered just before I left home, which isn't too far away from Victoria's place.

Her bathroom is very clean, and had everything that you need to freshen up.

I went back to Victoria's' bedroom and got the admin out of the way first. Victoria popped out for a few seconds to stash the cash.

Victoria was initially wearing a red bathrobe to begin with, which was very quickly dispensed with, revealing the most "Gorgeous" little fit body, IMO absolutely stunning, and a 9/10 looks, Very Pretty! When she removed her bath robe, she was wearing this little pink, all in one baby doll sexy thing, OMG! I couldn't wait to get hold of her!

We FK, not too deep, but still very nice, she was wearing a pink lipstick which suited her. Then lots of gentle groping, stroking etc, whilst FK all along.

I then asked her if I could slip a finger into her pussy, which she was fine with. Her pussy was as smooth as a baby's bum, and ultra clean, she is a very clean girl, spotless!

After she had peeled off her lingerie, and I stripped off down to my boxers, we then lay on the bed still FK, whilst I was stroking, fingering and playing with her pussy, getting her aroused.

I then asked her for OWO, she didn't understand properly, but she soon understood what I meant. She certainly loves sucking cock! :) After a while of BBBJ she spun around and we went into a 69. Boy! Did she taste sweet Or What! :)

This went on for some time. Given that she's only 19 yrs old, she was very good at the OWO.

After a while of 69 I asked her to put the mac onto me so I could fuck her, which she was eager to do, she put it on with her mouth. (nice touch!) She mounted me in cowgirl facing and rode me like a good un! :) She did work hard riding me like crazy! I could see that she was loving it, making all of the right noises, certainly not OTT.

After quite sometime of fucking in cowgirl I asked her to change positions. I then got her into the doggy position, I slipped inside of her pussy. I started slowly to start with, but gradually upped the tempo until I was pounding her, and giving her bum cheeks a gentle slapping. She really enjoyed taking a good pounding! After a while of doggy I got her to lay on her back and I entered her in missionary, well I went hell for leather fucking the arse off her for quite some time until I could feel the sap rising, so I just kept pounding away at her until I jizzed my load into the mac.

Good God, what a lovely shag! For an old fart like me to be shagging a gorgeous, fit little 19 year old like that is just stuff of dreams!

Victoria then cleaned me up.

I'm only a 1 pop guy these days. I still had a bit of time left, so we just lay there teaching each other our own languages. I drunk some water that I had earlier asked her to get for me.

There was absolutely no clock watching whatsoever, I didn't even notice any clock in her room.

There was a tap on the door when my hour was up, but she didn't rush me out at all. Her phone was either on silent, or turned off throughout the duration of my hour with her, so no disturbances at all. At £80 for an hour Victoria has to be the best bargain punt I've ever had!

I would definitely see Victoria again, and would 100% recommend her.
