The Premises:

Central London Location, not easy to park as there is restrictions all the time, took the train to get there, easy to find her place.

The Lady:

Slim stunning Russian Girl, very nice looking, Completely shaved, witch was really nice, This Girl is like Barbie beautiful, Nice and Busty

The Story:

She has one of the most beautiful body i ever meet, She Busty to the right point, I wanted to try a russian girl as i never did before, Little bit expensive, But i think is worth it, I wanted a CIM and had to pay £50 extra, I was fucking her for about 35 min and my knees where nearly bleeding, She was not much interested talking, or maybe her english is not that good, but with this type of girl you dont need to talk , Just sex and thats all, She is the one that you dream or the one we see in Tv.

I was very happy how it all ended, but still didnt find my spicy that i am looking for
