The Premises:

A flat on the Purley Way close to the Waddon Leisure Centre. Finding the block was easy as it looks like a Borg cube from Star Trek. The entrance is very exposed. Free parking is available at the nearby Morrison's supermarket and the property can also be reached easily by bus. The premises is lived in and was a bit untidy when I visited. Shower facilities were adequate from what I saw although I didn't put them to the test.

The Lady:

Jessica's photos on her AW profile are accurate. She is a good-looking Romanian in her early 20s with black shoulder-length hair, size 8, about 5'6" with lovely blue eyes, a great pair of D-cup breasts and a nice child-free shaven pussy. She speaks virtually no English despite her AW profile claiming that she is fluent in English.

The Story:

I originally tried to see Alesia who works from this establishment but when I called her she said that she was away and suggested that I try one of the two girls who were working there. Their profiles are also on AW. So on arrival I chose Jessica.

Unfortunately Jessica's performance did not match her good looks. When completing the paperwork she said that she would provide OWO and covered sex. But after we had both undressed she insisted on putting the jonny on immediately. I then gave her breasts a good massage and played with her clit which got her nice and wet but other than that there was no real response or eye contact from her and she never took the initiative despite claiming on her AW profile to be bubbly and friendly. There was no kissing allowed on the lips.

She then moved things on to sex without the promised BJ and pretended not to understand when I asked where my BJ was. She also started to say that we were running out of time despite only being around half way through the 30 minutes. We had sex in the missionary position, reverse cowgirl and doggy. Jessica did seem to make more of an effort when shagging in reverse cowgirl and I certainly enjoyed that part of my visit.

With time coming to an end, Jessica opted to finish me off by hand but insisted on leaving the jonny on so the final act was literally an anti-climax. Overall this was a poor punt with a disinterested girl. One to avoid.
