The Premises:

As reported many times on here, busy street in town, but the discreet entrance makes it easier. If you are a nervous first timer then you would be probably be overwhelmed because it is a very busy street, however this can act as a mask to where your going... because lets face it... generally most people are busy in their own world to worry about anyone else, so nothing to worry about.

The Lady:

Katie is petite, in her early 20's and Spanish. She is definitely the girl on the site and if you think those pictures are retouched or done to enhance her beauty, then take my word for it.. her in the flesh is better than those pictures, she has a sensational body, head to feet "quite literally" and a lovely cheeky face. By far her best asset is her delicious bum... probably in the top 5 of backsides i have ever seen on a woman... She is in fantastic shape and her skin is like silky butter... very pleased with her appearance.

The Story:

I contacted the establishment on the morning to arrange a early call with Katie, all professional and friendly as always. Arrived a little early and managed to find myself a great parking space "a rarity on a very busy road on a sunny Friday mid morning"

Arrived a little early and was told to go into one of the rooms upstairs and wait for Katie... undressed and towel wrapped around me, then a knock on the door and right on time, Katie walks, dressed in a sexy red bra and pantie combo with stockings and gold high heels... she looks simply amazing.

Now that we have confirmed how stunning she is, theirs always a worry about the attitude, level of service and the actual experience.

I had nothing to worry about, she was friendly, chatting and highly accommodating, lovely sensual kissing, oral without and just a joy to be with, I had to spend some time on that cracking bum of hers and she obliged me, the level of service matched her beauty. She is great and a real keeper for this establishment. One of the best experiences I had at this place, "The other was Keeley and Victoria"...

I can't recommend this lady enough, A great addition to have, look after her and she would look after you.
