The Premises:

Alessia was working at the Marriott Hotel in Bexleyheath. It was good to use the bathroom facilities before the punt.

The Lady:

A busty light skinned Romanian girl about a dress size 10. She was friendly, but professional during the punt.

The Story:

I enjoyed the session although I was a bit tired after a busy week. Alessia had a lovely body and, very rare for these days, she had trimmed black pubic hair. She had used the shopping facilities at Bexleyheath to stock up on some sexy underwear.

The session commenced with some gentle stroking of my balls while I was caressing her natural and firm breasts. She wouldn't allow me to suck her nipples saying they were too sensitive. She then put a condom on me and we had sex in the spoons position. Although I could have persevered and come in this position I opted to remove the condom and have a slow hand job to finish.
