The Premises:

A private flat located between Whitechapel & Bethnal Green. It was very clean inside and there was a shower facility.

The Lady:

Definitely the girl profiled, but a few years older and a dress size bigger. She was still very sexy and her breasts were very large and firm. Also, nice to see a girl wearing high heels, black stockings & suspenders.

The Story:

In all my years of punting this was the first time I accepted the offer of a drink. It was belting hot outside and I'd walked from Liverpool Street. I was tempted to have massage and relief, but opted instead to start with uncovered oral with me standing. We then had covered sex in doggy position. I thrust away for a few minutes and then withdrew so I could remove the condom and come over her large natural breasts.
