The Premises:

The premises seemed a little small, and you had to watch your head coming up the stairs.

The Lady:

lovley Tan, and attractive. Would put her height at 5.2" without heels.

The Story:

A very nice and pleasant experience. I would recommend her as a A GFE, not a PSE. Be aware that she does not do some of the services listed on the profile (CIM), and the suggestion that she is a naughty girl was not my experience, and seems unlikely. However she was very friendly and nice, and she was happy to kiss.
