The Premises:

Well known; friendly receptionist, shower in room and everything clean and tidy.

The Lady:

Sasha is a very pleasant, slim milf. I was surprised her age on the site is more than I guessed she was in the flesh and I thought she was a little taller too so no disappointment in her appearance at all. She is a very nice lady-next-door type with a friendly personality right from the get-go.

I am chatty and Sasha responded so that there was immediately very easy conversation that made us both feel very at ease together.

The Story:

I tend to stick with my regulars at MN but this was a very good departure for me.

There was an immediate happy atmosphere and with me not looking to exhaust let alone extend Sasha's services, everything was very friendly and that is a real bonus.

Sasha offered a massage and readily agreed when I offered to give her one instead and this was enjoyable and gave the opportunity for more very easy conversation.

The massage wafted into kissing and stroking then a very sensual oral without from Sasha.

We finished with a very energetic bout of sex with both of us clearly enjoying it and fully involved.

Lots of compliments both ways as we cleared up and dressed completed a very satisfying meeting that I will certainly repeat.
