### The Premises:

Clean, modern, flat in Baker Street area. Safe, discreet. Has a flat mate though. Shower very nice.

### The Lady:

Short, slim, petite and cute blonde lady. Very pretty.

### The Story:

Grace is a beautiful pint-sized darling, really short and cute. I had a wonderful time with her and wish i could've enjoyed the full two hours as planned but i unfortunately arrived late due to a delayed train. Grace understandably made me leave on time as she had another client but obviously i was devastated by that! I paid for 2 hours and got 1.5. However, her services are pretty cheap for the experience you get so can't complain too much.

Anyway, her flat is in a nice area near baker street/marylebone. In a posh new build where she buzzes you in. Her flat smells nice, she lit some candles and everything was clean. She lives with another girl who happened to be leaving as I arrived, a little bit awkward but I suppose she is in a similar line of work. She greeted me with a glass of wine and we talked for a bit before showering and getting down to business. She gave me a slow sexy massage, rubbing her perky little boobs up and down my body then I had a nice OWO from her which made me cum fast. Needed time to recover before I could get it up again and chatting with her was nice. Her english is alright and she makes you feel welcome. When I finally was ready to go again she rode me like a trooper, her little body jumping up and down on my dick. It was so sexy grabbing onto her perky little boobs whilst she was riding me and moaning to no end. Would recommend, but don't be late!
