The Story:

Lana came across as a very tastefully presented, sophisticated woman when we corresponded over email and when we met in person on the day of our date, I was delighted to find that this is absolutely the case. The incall location was safe and scrupulously clean — it was clear from both her venue and her demeanour that Lana is a person of high standards. She was punctual, charming, and delightful company over dinner. We shared a wonderful discussion, and I was greatly impressed by Lana's talent as a conversationalist. An intimate, fascinating lady also behind closed doors.
