The Premises:

Place is functional, very close to tube station. Maid is organised and handles all communication.

The Lady:

Quite tall, stand about 5'9. Some freckles, very well spoken.

I didn't find her that attractive although she was very friendly and smiled throughout.

The Story:

Sex was very good, she loved me to go behind her. Blowjob was great and there was plenty of variations.

Service wise I thought she was very good. Unfortunately I didn't find her as attractive as she appeared on the website so have rated neutral.
