The Story:

Wow, Magma is a truly stunning, elegant woman. I certainly won't forget her face for a very long time. I only wish I'd have taken her on a GFE rather than just spending an hour with her. Next time!

Magma showed up to mine on time, smelling fantastic and dressed to the nines. She had on some sexy matching laced lingerie under her summer dress, showing she really made the effort to impress me. We showered together, in which there was plenty of DFK and massaging. We'd barely had enough time to dry off before she took my dick in her mouth and gave me the longest, deepest, sloppiest OWO I could've hoped for. I tried my hardest not to cum and was successful. We moved to 69 which she seemed to enjoy (i dont do this with many girls!) and then she straddled me in reverse cowgirl and rode me enthusiastically until I finished. Wow, what a girl!
