On a busy road but still discreet entrance and easy to locate.

The Lady:

all i can say is wow, this is my first ever feedback and yeah its a wow, picture dont do Tyler justice as you need to see her in person.a bit shy but very pretty and accomodating.

The Story:

i saw Tyler on the website and decided to take the plunge and give her a go and oh boy i wasnt disappointed, i had to stay in the room for a while but it was well worth it, she was a bit nervous when she walked in and saw me but we both fell at ease. Tyler asked me if i wanted a massage but as i was in a rush and was just on a short break from work , we got straight to it , Tyler started with a good owo which was mind blowing, i felt every part of Tylers body while she was taking me to paradise with bj skills, on with the condom and she asked what my favourite position was , i asked her for her favourite position as i dont have one and she said doggie and missionary so i opted for doggie,Honestly i was taken by Tyler that i popped withing minutes of entering her juicy pussy. am definitely goig back as i believe i did not have enough time to enjoy her. Thanks for that little time.
