The Lady:

Abele is very beautiful she looks quite the same as the pictures on the website she looks like she is around 21 to 22 years old very young charming great curves and beautiful blue eyes, ass and tits very sturdy and sexy she kind of reminds me of Alexis Texas in the eastern European version.

The Story:

So I called the agency a day before to book Abele and I was Attended by one of the secretaries, she was very polite to me and gave me very good recommendations seem how I had not decided which girl I wanted to book, so I decided on Abele, and booked her for the 23/06 at 21:00 pm so yesterday at that time she came over to my place she was very punctual, and she was dressed in amazingly beautiful she had very tight clothes on on which made her look gorgeous and really sexy her curves were out of this world, she kind of reminded me of Alexis Texas at a first glance, so we went upstairs to my place and I just wanted to jump straight into action seem how she made me feel horny, and she didn't seem to mind it at all she was very warm and gentle during the preliminaries, it made me feel like I wasn't with escort but some girl I met somewhere else, a very comforting and unique experience, her skills were quite amazing too she really knows how to blow and she really knows how to ride too, those amazing curves were not just for show she really knows how to use then, overall it was a really great experience I could not have asked for a better time with a girl amazing as her.
