The Premises:

Nice flat in a great part of London. Small but clean with good shower facilities. Excellent transport links and paid parking.

The Lady:

Very attractive English girl slim with great enhanced tits. Big full lips nice pussy.

The Story:

Comms were great went up to her flat on time she opened the door in a sexy secretary outfit. Had a chat was offered a drink then I went for a shower. Came out had a decent french kiss then she went down on me. She does great oral and thankfully I passed the taste test and she gave me lovely rimjob. She really puts your legs up and sticks her tongue in deep. Was amazing. Uses plenty of spit on the cock and balls and arsehole a really incredible experience.

More sloppy bbbj then sex with her on top. I came so we chatted for a while before having a nice shower and left feeling blessed.

Lovely girl and would recommend.
