The Story:

I phoned her she gave me street name and post code and told me to phone her when i get to the flats which i did she said she wanted to me to stand on footpath so she could see me i asked her for flat number she started whispering to be discreet but i could not hear her with the traffic she got angry and shouted at me on the phone i told her text me the fucking door number how can i possibly hear her with cars going in and out the fucking ASDA car park it was really noisy outside i should have walked there and then but i did'nt.I thought the profile seemed familiar.

I got to the flat i had been here before spring and summer last year i fucked this sexy petite young german blonde girl nearly everyday over 5 month period i must have fucked her well over 200 times then one day i phoned no answer tried for a few more days the profile was gone i gave up i have never forgotten her.

But this lady is a waste of time she does give good OW she wont let you fuck her mouth she dont like R.O.

Her service is just OW and sex nothing else

She put the jonny on started off with OW she would not let me fuck her mouth i ask her to go on her back so i could fuck her in mish i entered her pussy she put her two of her fingers round my dick so i was restricted in giving her a hard fuck i hate it when girls do this it kills it for me i shouted at her to

move her fingers i cum shortly afterwards.

Had a brief chat i did not like or connect with her i told her i had been to the flat last year i asked her if i could lick her pussy out she said no she dont like it.

She sucked my dick OW tried to have another fuck with her she did the same thing again with her fingers stopping me entering her pussy deep i had just about had enough of her i told her to just wank me off slowly with oil i did enjoy that.

I got dressed i was out the door in 45mins atleast i got cum twice out of her for £100.

I dont recommend this girl but im not sure if to go back every couple of months for an half hour punt one day i may see this german girl from last year again and have some more great times with her.
