The Story:

As promised back in town again for a couple of nights. Crystal was recommended last time I called so had pre-booked her a few days ago. She arrived on time and wore stockings and suspenders as requested.

Decided first to check her oral skills as recommended by the agency last time, what can I say, not the best I have had but definitely the second best (the best was 30 years ago, my first time a girl performed oral on me, you never forget the first!)

After my usual first half massage we moved onto FS in a few positions but there was only one way I was going to end this night with this lady and that was with more oral.

Absolutely perfect session with a perfect young lady, very willing and a credit to her agency.

Note they have 2 ladies named Crystal on their website this one was the one at the bottom of the gallery with pigtails in her hair and a tartan mini skirt.
