The Lady:

Sophia is as described on her profile - her photos are a great likeness. What you don't see in the photos though is quite how pretty she is! She has a killer smile and is genuinely gorgeous. I instantly fancied her and she was very relaxing and fun to be with. She's a natural.

The Story:

Having been shown to the room, I took a shower as I always do - it's only polite! Sophia came in as I was showering and came over to say hi with a cheeky smile! I was getting a semi before I'd even dried off and laid down - something she noticed with a smile!

Sophia has a lovely body and gorgeous smooth skin. I laid down and couldn't wait to touch her later. She gave a fantastic massage, she's clearly good at what she does and gave attention to all the right parts before a sexy body to body tease!

Turning over and the massage stepped up. Sophia feels just as amazing to touch as she looks and she slowly started to play with my cock and built me up to a fantastic end.

I genuinely enjoyed chatting with Sophia too, she's bright and funny. I'm looking forward to seeing her again when I can next get to MK.
