Petite and very pretty. The most natural and genuine girl I've met.

The Story:

I don't always post reviews as some experiences are run of the mill and fairly routine. Somebody's pleasure is someone else's annoyance and so unless I have a disaster, eg poor service, I let it go. As you punt more, you notice stuff like late arrival, fakes and getting ushered out the door at the close. Not so today.

I met a beautiful lady today and she knocked me out. So pretty and with a lovely supple body and so willing to please, as well as a little peachy bum. We hit it off from the start and it made my week. We also had a laugh which makes the experience much more enjoyable.

The bad thing about such an experience is that the time flies past so I will allow more next time. I'm not going into detail of what we did as I want to keep it to myself but I would say that Aisha is a total turn on and I cannot wait to see her again. She's a natural.
