The Lady:

Beautiful Blonde angel from Russia, with bright blue eyes and a tiny waist. The one thing not small is her boobs, lovely.

The Story:

I do like me a Russian darling, hardly ever find myself having a bad time with these ladies. They certainly learn manners and respect for their men in Russia and Geta gave me an hour to remember. I've not seen such a warm beautiful cheeky smile in a long time! We started out with her giving me a sensual naked massage (she'd even bought an oil with her to use!), rubbing her naked breasts and pussy up and down my body. I could feel how wet she was already and inserted my fingers in her tight little pussy as she moaned a lot. Geta has these gigantic pair of boobs and as soon as touched them I knew I HAD to get a tit wank off of her, she did not disappoint. We used the same oil as before and she parked my dick right between them, bouncing them up and down until I spunked all over them. A very hot experience, I'd love to see her again. Did not feel rushed at any point.
